To continue providing quality services on a timely basis we urge you to collect your information as soon as possible. **THE FILING DEADLINE FOR YOUR INCOME TAX RETURNS IS APRIL 15, 2022.** In order to meet this deadline, we will need to receive your tax return information **NO LATER THAN April 1, 2022**. Any information received after that date may require that an extension be filed for your returns.

When you have completed the organizer and accumulated any forms, please forward this information to our office.

At this time, we would like to confirm and specify the terms of our engagement with you and clarify the nature and extent of the services we will provide, in order to ensure an understanding of our mutual responsibilities.

We will prepare your 2021 federal and requested state income tax returns from information which you will furnish to us. We will not audit or otherwise verify the data you submit, although it may be necessary to ask you for clarification of some of the information.

It is your responsibility to provide all the information required for the preparation of complete and accurate returns. Retain all the documents, cancelled checks and other data that form the basis of income and deductions. These may be necessary to prove the accuracy and completeness of the returns to a taxing authority. **You have the final responsibility for the income tax returns and, therefore, you should review them carefully before you sign them.**

Your returns will be required to be filled electronically with the IRS. We will provide you with a copy of your final returns for review prior to electronic transmission. The IRS requires that you sign an e-file authorization form indicating that you have reviewed the return, it is correct to the best of your knowledge, and you authorize us to submit it electronically. We cannot transmit any return until we have the appropriate signed authorizations.

Our work in connection with the preparation of your income tax returns does not include any procedures designed to discover defalcations or other irregularities, should any exist. We will render such accounting and bookkeeping assistance as determined to be necessary for preparation of the income tax returns.

We will use professional judgment in resolving questions where the tax law is unclear, or where there may be conflicts between the taxing authorities' interpretations of the law and other supportable positions. Unless otherwise instructed by you, we will resolve such questions in your favor whenever possible.

The law provides various penalties that may be imposed when taxpayers understate their tax liability. If you would like information on the amount or the circumstances of these penalties, please contact us.

Your returns may be selected for review by the taxing authorities. Any proposed adjustments by the examining agent are subject to certain rights of appeal. In the event of such government tax examination, we will be available upon request to represent you and will render additional invoices for the time and expenses incurred.

Our fee for these services will be based upon the amount of time required at standard billing rates plus out-of-pocket expenses. All invoices are due and payable upon presentation.

We want to express our appreciation for this opportunity to work with you.

Sincerely,

Felix and Gloekler, P.C.

Electronic Filing:

Electronic filing is the means by which your return is transmitted directly to the IRS and state tax authorities. The IRS has implemented an electronic filing mandate requiring certain preparers, including this firm, to file all returns that they prepare electronically. Some states also require certain preparers to electronically file state returns prepared. The IRS and some states allow taxpayers to elect not to file their returns electronically.

Do not electronically file the federal return . . . . ☐

Do not electronically file the state return(s) . . . . ☐

Note: The IRS and some states that require returns to be electronically filed also impose fees and/or penalties for failure to do so. If you checked either of the boxes above, you may be required to sign an "opt-out" form before we can release your returns. As a follow-up we will contact you to discuss these requirements and your ability to "opt-out" of electronic filing.

The IRS requires, and many states allow, the use of a Personal Identification Number (PIN) in lieu of mailing a signature document when electronically filing.
